Testimonials

"We engaged Debbie to complete a full interior make over for our new house. Debbie was fantastic from start to finish. Her ideas and recommendations were great and her access to alternative furniture was invaluable.

We have no hesitation in recommending Debbie."

Mark Simmonds

NORTH BEACH

"The service from Despina Design was impeccable...Debbie has stunning taste in colors and design, she also personalized the design and gave the project so much care and attention to detail. She made sure that every aspect was covered perfectly... She was so wonderful to work with - kind, patient, warm and generous ...We have recommended Despina Design to our friends..."

Lavinia Simon

DUNCRAIG

Debbie is very professional in all areas, very pleasant to deal with and came up with amazing ideas for redecorating our formal lounge...kept in touch through all the stages of the job so we knew exactly what was going on....tradesmen were well organised and informed by her and the standard of work is extremely good. I'd use her again and recommend her highly."

Jullie Jeffries

MOUNT PLEASANT

Benefits to enjoy

UNBEATABLE FINAL RESULT

A desirable home designed for you, a personalized home interior, which is aesthetically pleasing, harmonious cohesive and highly functional! Add to this the enhancement to the value of your property.

TRUSTED TRADES

Maintaining a long-standing working relationship with a reputable and dependable network of trades whom we trust to implement our bespoke designs, is the key to the high standard we deliver. We also oversee all aspects of the implementation process.

SAVE TIME & MONEY

Most agree with this quote. - "Hiring a professional means, hiring their skills, talent, experience, and knowledge.."

Our professional services save money, time and add value. How so? By protecting you from design pitfalls, second guessing, and worst of all, a less than perfect result!

CUSTOM FURNISHINGS

Our access to the fabulous world of designer furniture, home-wares, fabrics and finishes from our exclusive trade suppliers, enables us to present and deliver the best there is when it comes to custom furnishings for your home. We love bespoke design and have been awarded for our innovative custom pieces.

Design Services

STANDALONE SERVICES

In addition to our full interior design service, from concept to completion, we provide stand alone services to suit your specific needs, such as:

- Colour Consultation
- Custom decorating
- Prestart selections
- Designer for a day
- Furniture selections
- 3D Design concept render

KITCHEN & BATH DESIGN

Custom kitchen and bathroom design to suit your needs perfectly, whilst making statement of style, is what we do. You will love your new dream kitchen and bathroom, with lot's of cutting edge storage solutions for effective use of space and ease of access. Once you purchase our kitchen or bathroom design, you have the option of implementing with your own contractors, or leave the whole thing to us!

FULL INTERIOR DESIGN

The full experience, from the presentation of the concept, to the big house reveal! We take care of everything, letting you get on with more pressing aspects of your life. Whether it is a full home or a kitchen renovation, decorating or refurbishment, we are there every step of the way until the project is completed.

DESIGNER FOR A DAY

This service suits the home renovator. When you know what you like but need assistance with weeding through your selections, or you need input on layout, perhaps finding styling somewhat of a challenge... Book a day with us to solve your renovation dilemmas. Session lasts six solid hours.

FAQ's

ARE WE INVOLVED IN THE DESIGN PROCESS?

1

Yes absolutely! Our service is personalised, because our concept proposals are based on your brief and are open to review and revision before being finalized.

ARE YOUR PLANS PERMIT-READY?

2

Our drawings are conceptual. We outsource the services of a building engineer, to make them permit ready.

WHAT ARE THE TYPICAL TIMELINES FOR COMPLETING A PROJECT?

3

Projects vary and we provide an estimated timeline following the initial consultation. The objective of our action plan is to eliminate preventable delays.

CAN WE USE YOUR TRADES AND SUPPLIERS?

4

Our exclusive trade suppliers deal with interior designers and architects, and our contractors work strictly with us when implementing our designs.

DO YOU INCLUDE REVISIONS IN THE PRICE, SHOULD WE WISH TO MAKE ANY CHANGES?

5

The way we approach the design process eliminates the need for many revisions, we do however allow a maximum of two revisions.
